We, Susa Mechanical Equipments Trading L.L.C. Deal in: Oil & Gas Fields Machinery, OEM Spares, Instrumentation, Electrical & Mechanical Equipment , Alloy Tubes/Tube Fitting, Valves, PLC, Control Compressor, Filters, Chemicals, Tools Auto Machine and all kinds of Project / Site Related Equipment.

Product and Services Experience Fields

- Exploration and development
- Procurement and logistics
- Life support
- Construction
- Oil & Gas rigs
- Oil & Gas Field
- Refineries
- Pipelines
- Drilling and Production
- Processing
- Support services
- Petrochemicals
- Power Generation
- Infrastructure (water-Power-communication)

Supply & Sourcing of OEM, Industrial, Oilfields
Reverse Engineered Spare/replacement Kits, Valves,
Instrumentation, Measuring And Test Equipment, Alloy Tube Fitting Etc.

PORTFOLIO

MISSION STATEMENT:

We provide best Procurement Services to our valued customers along with a huge variety of desired products covering the higher quality standards, in-time delivery, efficiency and competitiveness with low costs – value relationship.

VISION STATEMENT:

To become a *Global Leader in providing best Procurement Services related Materials & Equipment by*

providing effective solutions to our valued customers. We are always strive to compete by entering into the new Markets with a Complete Portfolio of Products and Top Brands focusing on safety, health and environmental concerns as our core value of business operations.

INTRODUCTION:

Susa Mechanical Equipments Trading L.L.C. is one of the leading, most experienced, well established and reliable material supply company who is serving in the sectors of Power Generation, Oil & Gas and Petrochemical since 2013. We have direct cordial business relations with major OEM's and their Distributors in the USA, UK, Europe, Korea, China, and all over the world. We have a reputation for quoting the lowest prices to our valued customers as compared to any other Distributor, especially related to materials for Process Control Instrumentation and Industrial Automation Applications, as well as Combustion Control, HVAC Controls, Valves, special Alloys, and Piping Material. Our clients are comprised of National & Multinational E&P, Drilling Companies, Oil Refineries, Petrochemical Plants, Pipeline Projects, and EPC contractors in the UAE, Oman, Kuwait, & Iraq. We focus on the uninterrupted supply of Controls and Instrumentation material to companies/corporations who need to keep their businesses and projects running efficiently and effectively.

We supply quality products of the world's renowned brands to our valued customers as they desire. Our expert team of supply chain and logistics professional arrange EXW, FOB, CFR, CIF, CPT and DDP shipments on fast track basis by utilizing our international setup around the world.

We aspire to become on of the leading supplier, providing effective solutions to our esteemed customers. We are always pleased to provide dedicated, professional and personalized services at all times to our existing and potential customers. We always look forward to have the opportunity to serve our customer needs to their satisfaction in most cost effect way, on time, all the times.

Muhammad Shahzaib,
Managing Partner.

GEOGRAPHICAL COVERAGE:

The Head Office of Susa Mechanical Equipments Trading L.L.C. is located in ABU Dhabi (UAE) and covering our operations in 7 countries around the globe through 7 branch offices in USA, UK, Germany, Sweden, Singapore, Australia. From Australia to North America we are providing dedicated top class technical and administrative support to all our customers without compromising on quality.

OUR RELIABILITY:

Our well trained and experienced staff members are equipped with several years of diversified experience through which we ensure to comply with the order specifications and in-time delivery as decided and providing the correct material, equipment and spares meeting the product's designs and international standards to meet customer needs.

QUALITY PRODUCTS:

We deal in brands manufactured by renowned and trusted manufacturers all over the world including USA, Europe & China. Every consignment is inspected thoroughly prior to shipment and checked for compliance with the order specifications with the help of Material Testing Certification and proof of purchase. We also assure traceability of the materials supplied.

Moreover, we offer after sales services, warranty and free replacement in case of any defect subject to terms and conditions.

Company Overview

We, Susa Mechanical Equipments Trading L.L.C. , are market leader in providing solution and supplies across critical industrial and energy market. We cater to diverse small, medium, large engineering projects such as Oil and Gas, Refinery, Power Plant, Petrochemicals, Manufacturing Industries, Food & Beverages and EPC including long terms supply contracts.

We are committed towards creating a partnership with our customers for their smooth and trouble free operation. The depth of our scope does not end at energy, we also work hand in hand with engineering firms and end user on all projects where we can offer our assistance and services.

Our team of experts believe in delivering optimal supplies and solution across critical industrial and energy market. We connect world's leading quality products with latest and modern technologies to our customers. Our diverse range of products enable us to cater on customer procurement and sourcing needs at most economical way without compromising on quality. Our moto is to ensure delivery on time-every time without incurring extra cost to the end user. Our emphasis on supply chain management and effective logistics make us the vendor of your choice.

We believe in continues improvement. Our dedication to it is not just our future strategy but it is an integral part of the way we do business and serve our customers. Our commitment to quality is reflected by us exceeding the ISO standard. This has help us earn a reputation of being the market leader and solution provider.

Brands Distribution List

We are authorized distributor for the following brands.

PENTAIR

- *Flame Arresters - Inline and End of line*
- *Flame Arresters with Pressure Relief Valve*
- *Fire Hydrant Valves & Regulators*
- *Pressure Reducing / Regulating Valves*
- *Safety Relief Valves*
- *Cryogenic Valves & Regulators*
- *Pilot Operated Relief Valves*
- *Thermal Relief Valves*
- *Bursting Discs, Explosion Vent Panels*
- *Emergency Vent Manways*
- *Gauge Hatches, Open Vents*
- *Pressure / Vacuum Relief Valves with Flame Arrestor*
- *Tank Blanketing Valves*

DUALCO™

- *Push Type Utility Grease Gun*
- *Squeeze Tube Grease Gun*
- *Accessories & Tips*
- *Hydraulic Grease Guns*
- *Screw Prime Hand Lever Operated*
- *OPTIONAL EQUIPMENT*
- *Air/Hydraulic Injection Gun*
- *VALVE LUBRICANTS, SEALANTS, CLEANERS AND PACKING*

Reverse Engineered Spare/replacement Kits, Valves,
Instrumentation, Measuring And Test Equipment, Alloy Tube Fitting Etc.

Brands Distribution List

Instruments Cable, Power Cable

- *Instruments Cable*
- *Power Cable*
- *PUR Cable*
- *Channel & Subsea Root Cable,*
- *Special & Hybrid Cable*
- *Mining & Tunnel Cable*
- *Crane & Tray Cable*
- *Drag Chain Cable etc*

Ball Valve, Block & Bleed Valve

- *Floating Ball Valve*
- *Wafer Double BB Valve*
- *Trunnion Ball Valve*
- *Air Vent & Vacuum*
- *Vacuum Breaker*

Muhammad Shahzaib,
Managing Partner.

Line Card

DCS, Data Acquisition Equipment's.

- *Scanners, DP Meters and Turbine Meters*
- *Production Control Systems (DCS)*
- *Controllers, Recorders, and Data Acquisition Equipments*
- *Liquid, PH / ORP, and Conductivity Analyzers*
- *High Speed Memory Recorders*
- *Gas Analyzer*
- *Dust Monitors*
- *Controllers & Indicators*
- *Pen Recorders*
- *Calibrators, Thermometers, Clampmeters*
- *Digital Multimeters*

Gas & Flame Detection, Burner Controls, Igniters.

- *Flame Safeguard & Combustion Controls*
- *Toxic Gas Detection*
- *Industrial Surveillance Equipment*
- *Combustible Gas Detection*
- *Optical Flame Detection*
- *Gas Leak Detectors*
- *Safety Systems*
- *Smoke Detection*
- *Igniters*

Pressure Safety / Relief Valves, Manifolds.

- *Direct Spring Operated Pressure Relief Valves*
- *Pilot Operated Pressure Relief Valves*
- *Safety Selector Valves*
- *Hydrant Reducing Valves*
- *Surplus / Sustaining Valves*

Reverse Engineered Spare/replacement Kits, Valves,
Instrumentation, Measuring And Test Equipment, Alloy Tube Fitting Etc.

Line Card

Control Valves, Pressure Regulators, Choke Valves.

- *Control Valves*
- *Positioners*
- *Pressure Reducing Regulators*
- *Pressure & Temperature Controllers*
- *Choke Valves*
- *Back Pressure Regulators*

Actuators, Positioners, Valve Position Mointors.

- *Valve Actuators*
- *Multiport Flow Selectors*
- *Linear & Rotary Valve Position Monitors*
- *Gearboxes and Accessories*
- *Precision Control Instruments*

Moreover, source exceptional products of renowned brands that are used in Power Plant, Oil & Gas sector including pipes, pipe fittings in CS, SS, Duplex, Super Duplex material.
